25X1 3. [] Delivered to Miss Koker, in the office of Representative Charles S. Gubser, two unclassified publications entitled "Economic Plans of Six European Satellite Countries Through 1965: A General Appraisal" and "The Hungarian Second Five Year Plan (1961-65): An Evaluation" prepared by ORR some time ago and a blind statement updating these two reports for the Congressman's information.

25X1 4. [] In the absence of Senator Dodd from the city, I notified David Martin of his staff that it was our information that Guy Richards was publishing six more articles in his current series. Martin said he had seen one today and appreciated this information which he would pass on to the Senator when he spoke to him on the phone today.

25X1 5. [] The Director, accompanied by Dr. Chamberlain, Mr. Howard, [] and Mr. Warner, briefed the Joint Committee on Atomic Energy. 25X1

25X1 6. [] In response to his request, I met with Mr. Ewing Hass, Administrative Assistant to Senator Thomas J. Kuchel, concerning the fairly large volume of constituent correspondence that has been received by the office concerning the [] charges. 25X1 Mr. Hass appreciated our inability to comment on the matter and after discussion indicated that he might check with the Senate Internal Security Committee and respond in general terms using the information he receives from Senator Eastland's office plus a statement covering the Senator's complete confidence in Mr. McCone as the Director of Central Intelligence. Should he have further questions on the matter, Mr. Hass will call me.

25X1 7. [] Congressman James D. Weaver (R., Pa.) called and requested if possible that someone come by to discuss the Soviet Space Program with him. I advised him that I would transmit his request and be back in touch with him in the morning. 25X1
